

COVID-19 Preventive Measures

Thank you for your continued support to Bank of India.

Bank of India Japan Branches are taking the measures to prevent spread of COVID-19 guided by the Japanese Bankers Association.

We request all our valued customers to...

- Wear a Mask when visiting the branch
- Disinfect hands at the entrance when entering the branch premises
- Keep distance in the banking hall
- Avoid visiting the branch when having fever, symptoms of cold, etc.
- Fix an appointment before visiting the branch to reduce waiting time

We ask for your kind understanding and cooperation.

STAY SAFE and STAY HEALTHY!
